

Employee of the Month!

“Hard Work”

Living is an adventure
it is never an easy venture
it comprises many obstacles
man can not just rely
on miracles

To survive man has to
be resilient
aptly use his mind and
be patient
like climbing the hill in
life’s travel
maybe hard but it brings
in marvel

At the end of the road in
life’s pathway
man can’t always win but hope
has a way
do not ever quit to reach the
goal and move on
for every hard work there
awaits success to be won

- Marvin Brato Sr

Congratulations Jerry Spruill,

Month! Thank you for all of
your hard work.

Honoring Women in the Military

Nearly 3 million women have served in and with the U.S. military. The Women in Military Service for America Memorial honors the contributions of servicewomen past, present and future.

Dedicated in 1997, the memorial is located at the entrance to Arlington National Cemetery, outside the nation’s capital. The 30,000-square-foot monument and museum is devoted to telling the stories of women who have helped defend the nation since the American Revolution.

Photos, uniforms and other artifacts are exhibited, documenting the many jobs women have held for the country’s defense, from nurse to fighter pilot. A hall of honor recognizes those who gave the ultimate sacrifice, were held prisoners of war, or received awards for service and valor.

The heart of the memorial is an interactive, computerized register that has the goal of including every woman who has served. Currently, the database has the names, photos and histories of about 270,000 women, and visitors can look up their grandmother, mother or friend. Female veterans or family and friends of women veterans are encouraged to register at the memorial’s website, WomensMemorial.org.

The memorial also honors women who have served in organizations that support the U.S. armed forces, including the Red Cross, USO and U.S. Public Health Service Cadet Nurse Corps.

MAY 2022

Hello from the Executive Director!

May is the month in which we honor our mother’s and remember the good memories of those mother’s who are no longer with us.

Mother’s Day is the day to honor all moms and celebrate motherhood. It’s about honoring the mother of your family, the influential mother-like figures in our lives and recognizing the women for the strong and wonderful people they are.

The Harbison Shores Mothers are the sparkling diamonds of our life which add a dazzling effect every day.

A very warm Happy Mother’s Day from Harbison Shores to all the mothers.

Elaine M. Till, NHA CRCA

The Anniversary of V-E Day

On May 7, 1945, Germany surrendered to the Allies, ending World War II in Europe. The following day, May 8, was declared Victory in Europe Day, and this year marks the 75th anniversary of the momentous occasion.

After six years of conflict, unconditional surrender documents were signed in Reims, France, at the headquarters of U.S. Army Gen. Dwight D. Eisenhower, the commander of the Allied forces in Europe. As news of Germany’s formal surrender spread, celebrations broke out in cities around the world. Massive crowds gathered in the streets for parties, parades, dancing and singing.

V-E Day also fell on the birthday of U.S. President Harry S. Truman, who had taken office only a few weeks earlier, after the death of President Franklin D. Roosevelt. In a statement, Truman dedicated the day to Roosevelt, who had led the country through most of the war.

Truman also reminded Americans that despite the victory, “much remains to be done,” since the war with Japan continued. It would be another three months, in August 1945, before the battle in the Pacific theater would end.
