Hello From the Executive Director

When one thinks of Easter most of us celebrate by decorating eggs and putting out Easter baskets for the children.

What does the Egg symbolize at Easter?
New life, Rebirth and Fertility.

We are wishing each of you a wonderful holiday and beautiful spring filled with hope.

We are looking forward at Harbison Shores to enjoying the spring weather and flowers in our updated courtyards.

Fabergé Eggs

Czar Nicholas commissioned jeweler Peter Carl Fabergé to be the "goldsmith by special appointment to the imperial crown." Fabergé was given free rein in the eggs' designs. From a needlepoint motif to a delicate lattice, he did not hold back—not only was the outside of each an intricate work of art, but the insides were even more elaborate, with each containing a hidden surprise. Thus, the tradition of Easter eggs bearing gifts was born.

Friendly April Flowers

Folks with April birthdays can claim both daisies and sweet peas as their birth flower. The cheerful daisy and fragrant sweet pea both have strong connections to friendship, making them excellent choices for a birthday bouquet.

"The sky is always beautiful. Even when it's dark or rainy or cloudy, it's still beautiful to look at ... and it'll be there no matter what."
